Renderings@DesignsByCM.com

Are you altering your existing structure ?

yes no

Please describe (use another sheet if necessary)

Checklist

- I have included a floorplan sketch
- I have included a sketch of the details

Color options

Most houses use 2 or 3 colors. The main color used for the siding, a 2nd color for windows, drainpipes, gutters etc. and possibly a 3rd color for accent items such as shutters, mailboxes, handrails, doors etc. If you're not sure, write "not sure" and we'll provide an initial selection of colors we think compliment your house.

	Combination 1	Combination 2	Combination 3	Combination 4
Main color (siding)				
Accent color 1 (drains, gutters etc.)				
Accent color 2 (handrails, shutters etc.)				
Accent color 3				

Facade

Do you want to use materials other than shingles or siding such as stonework or stucco? yes no

Please describe (use another sheet if necessary)

Windows / Doors

Do you have a particular window/door manufacturer or style in mind? yes no

Please describe (use another sheet if necessary)

Landscaping

Are there any landscaping features you'd like to include in the design? yes no

Please describe (use another sheet if necessary)

Please sign below to show that you understand that these artistic renderings are meant as visual illustrations only and are not intended to replace the services of a professional architect or engineer. We are not architects and are not conversant with all building codes or town requirements. You should always employ the services of a licensed architect who is conversant with your local zoning laws to complete all formal project designs.
